

## Beer & Hike trip in Bohemia

**Date: 17-21 October 2022**

**Topic: Czech gastronomy, castles and hiking in Bohemia**

Beer and the Czech Republic are almost synonymous! There are more than 400 breweries, some large scale, others small. When visiting the Czech Republic, you must not forget the beer capital Pilsen, but also in Prague and in Central Bohemia you can have amazing beer experiences. Combine this with a cultural visit or a beautiful hike in one of the many nature reserves.
